Example:

| Problem Statement (PS) | I am (Customer)         | I'm trying to           | But  | Because                               | Which makes me feel                             |
|------------------------|-------------------------|-------------------------|--|---------------------------------------|---|
| PS-1                   | Train passenger         | voyage                  | The arrival of train is late                       | The train tracks are old and outdated | To voyage by bus                                |
| PS-2                   | Long distance passenger | Travel to long distance | The properties are theft and washroom is not clean | Of peoples disregard and attitude     | To voyage by airlines and to enhance the system |
